Re: Boucher for Congress (TD# C00178418)  
30 Day Post-General Report (10/15/98-11/23/98)

Dear Ms. McCarthy:

I am writing to inform you that Link-PAC, the political action committee of the Satellite Broadcasting and Communications Association, has requested by letter that the excessive portion of its 1998 General election contribution to the Boucher for Congress Committee be redesignated to Congressman Rick Boucher's 2000 Primary election. I am enclosing a copy of Link-PAC's letter requesting this action. As required by the Federal Election Commission regulations, the Boucher for Congress Committee will report the redesignation as a memo entry on its January 31 Year End Report.

To help prevent the recurrence of a similar situation, the campaign has purchased an Index of Multicandidate Political Committees published by the Federal Election Commission. We will strive to verify the multicandidate status of contributions received from political committees in the future.

Thank you for your patience as we have worked over the last few months to bring this matter to a conclusion. If you have any questions, please feel free to give me a call at (540)628-7197.

Sincerely,
